

MARTHAM ACADEMY AND NURSERY PE SPORTS GRANT FUNDING 2018- 19

Physical Education and school sport is very important to Martham Academy and the well being of the children. We believe children gain a positive attitude through exercise and learning all about leading a healthy lifestyle. Our overall aim is to continue to raise the standards in PE and school sport, increase the participation and opportunities offered to our children. We aim to provide high quality lessons and improve learning within the school. We will be thinking about spending the grant on sustainable improvements to ensure high quality PE continues to be delivered within our school.

PE and SPORTS GRANT SPENDING 2017-18

Grant Received - £18,930

Total number of pupils on roll - 386

Objective	Activity	Est Cost	Impact of Activity
To invest in initiative to get children active and promoting a more active lifestyle	Golden Mile Scheme 'The Golden Mile' which is run in school is a measurable fitness intervention which has demonstrated high impact on pupils' fitness and encouraged children who struggle with fitness to participate. This also promotes Sports Leadership skills for children in Upper KS2.	£300	All children in the school have participated in this activity. Older children have enjoyed the responsibility of running the scheme and encouraging younger children to try their best. Children have enjoyed seeing their totals each week. Weekly cups awarding in assemblies has encouraged a team ethos for classes to achieve the highest mileage each week and term.
To Invest in an initiative to encourage children to take part in a wider variety of competitive sports.	'Stay Active' programme Providing a variety of Extracurricular clubs for both KS1 and KS2 and then leads into a competition with other local schools. Through this, we have been able to offer a wider variety of sports clubs and	£1280	Children enjoyed taking part in a range of activities that they might otherwise not have been able to take part in. The result of this was that 64% of pupils took part in competitive sports.

	involve a greater number of children in competitive sport.		
To further develop the multi surface playing area	To install higher fencing that can withstand strong winds and has integral basketball hoops to expand the usage of the area	£3967.21	Pitch has been installed and is daily use for a variety of sports. Children are active during lunchtimes and break times contributing to the Government guidelines of 60 minutes a day of active exercise.
To train 2 LSAs in the PE coaching qualification	To further enhance our PE team by training two LSAs to be able to deliver high quality PE and Sport	£3000	Carried over to the next academic year
